Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450  
U.S.A.

Sir,

In response to the Notification of Missing Requirements mailed November 15, 2006, applicant submits herewith:

1. Additional claims fees of \$410.
2. Surcharge under 37 CFR 1.492(h) for late submission of the additional claims fees of \$130.
3. A declaration under 37 CFR 1.497(a) and (b). The declaration identifies the international filing date of the application. However, the U.S. serial number assigned to the present application has been identified in place of the international application number. It is believed that 37 CFR 1.497(a)(2) has been complied with as the declaration does indeed identify the application to which it is directed. There is no requirement that the application be identified by its international application number as opposed to its U.S. serial number.

At the time of filing of the present response, the Office was authorized to charge the fees believed to be necessary to a credit card. In case of any under- or over-payment or should any additional fee be otherwise necessary, the Office is hereby authorized to credit or debit (as the case may be) Deposit Account number 502977.

Respectfully submitted,

/Jonathan David Cutler, Reg. No. 40,576/
